

All Saints' Nursery Unit: a welcoming and fun place to learn

At All Saints' Nursery Unit, children are at the heart of all our work and our priority is to deliver high quality teaching and learning in a welcoming and fun environment. Everything staff do as a team ensures that all of our children achieve their very best. As a school community we work together in partnership to maximise the potential of each child, to ensure that they are each uniquely valued and that their well-being and development in all areas is promoted.

This high quality provision is underpinned by a strong focus on quality interactions through child initiated play and adult guided play. All Saints' is fortunate to enjoy a bright, happy and welcoming nursery unit environment with excellent facilities and a generous outdoor play area. The children play outdoors every day in all weathers exploring and creating their own adventures.

All Saint's Nursery Unit opens from 08.45 to 13.30 each day, with access to early morning breakfast club and additional and extended (wrap-a-round) childcare provision each afternoon.

St. Colman's Primary School and All Saints' Nursery Unit will not host an open day this year due to Covid-19 pandemic but prospective parents are invited to visit our website for a virtual tour and to contact the Principal Mr O'Neill on 028 40671363 or email on koneill344@c2kni.net to discuss your child's schooling and educational prospects here in All Saints' further.
