

Algeria

Algeria, is a very large Muslim country in North Africa. Algeria extends into the heart of the Sahara desert which is where the Earth's hottest surface temperatures have been found. The official name of Algeria is the Federal Republic of Algeria. It shares a land border with Cameroon and Benin.

The total land mass is 923,768 KM which makes it one of the largest areas in the world. It is both within the British Commonwealth and the African Union. It has a population of nearly 175 million people.

The main language spoken is Arabic

Poor health care and lack of water makes life very difficult for the people.
