

Food From Around The World

France

Crepes

- Crepes are thin pancakes made from flour, eggs and milk.
- They are very popular in France and are typically served with Nutella.

Raclette

- ◉ Raclette is a French cheese that is served with boiled potatoes and European meats like Parma ham.
- ◉ The dish is usually made with a 'Raclette machine' and eaten at dinner time.

Macaroons

- ◉ Macaroons are a small round meringue based cake in France that come in many different flavours.
- ◉ My favourite flavour is chocolate
