Vision statement: To be an inclusive, caring School where childhood and community are valued; one which inspires learning for life and develops the personal qualities needed to succeed in a rapidly changing world. This vision will be best realised as we undergo a continual journey of ***progress through partnership, leading to excellence.***

Values based education.

Values are principles that guide behaviour. At St. Colman's Primary School and All Saints' Nursery Unit adults are encouraged to model values and to give time for reflective practices. We believe that this empowers individuals to be effective learners and good citizens.

Our **Values-based education** philosophy underpins our work to actively promote fundamental values of democracy, individual liberty, mutual respect and tolerance of those from all faiths, backgrounds and cultures.

A rounded programme of assemblies and events promote children's spiritual, moral, social and cultural development, enabling them to develop their own moral and ethical compass to guide what is right and what is wrong.

Currently there are 20 main values at St. Colman's Primary School. We focus on one value every month over a 2 year cycle. Each value has several reflection points which enables us all to share and understand a common values vocabulary.

Mr O'Neill will introduce each value every month through assembly and will be looking for children to learn our curriculum through this value in the classroom.

Values for 2018-19, 1st cycle.

September	Resilience
October	Honesty
November	Respect
December	Happiness
January	Collaboration
